# IMPORTANT

Thank you for purchasing this course. I hope it really helps you in your journey of learning studio photography. **Before you start please go through these important points:**

- The videos below are private videos on YouTube, available only to the people who have purchased this course. The only way to access these videos is through the links given below. So I **request** you not to share this PDF with anyone. **PIRACY KILLS CREATIVITY.**
- As a bonus for purchasing this course, you can join our private group on Facebook, where you can post your shots and get reviews from other members in the group. Use the link below to join this group:

<https://www.facebook.com/groups/creativepadphotography>

The password is CreativePad1234567

- To access the videos, just click on the title or the image of the respective video, they will open up in the browser in YouTube or the YouTube mobile app.
- Scroll down at the end of this document to see how you can get your certificate once you complete this course.

Again, I thank you for giving me the chance to teach you videography. I hope you have a good time learning from this course. Good luck!
