IMPORTANT

Thank you for purchasing this course. I hope it really helps you in your journey of learning the art of photography. **Before you start please go through these important points:**

- The videos below are private videos on YouTube, available only to the people who have purchased this course. The only way to access these videos is through the links given below. So I **request** you not to share this PDF with anyone. **PIRACY KILLS CREATIVITY.**
- To access the videos, just click on the title of the respective video, they will open up in the browser in YouTube or the YouTube mobile app.
- In case you are using a mobile phone, make sure you have downloaded the [Adobe Acrobat Reader](#) app as the links in this PDF may not work properly in other PDF apps. If you already have the Adobe Acrobat Reader app and you find the links are not working, just uninstall and reinstall the app using the link above.

Again, I thank you for giving me the chance to teach you the art of photography. I hope you have a good time learning from this course. Good luck!

Kush Sharma
